Public Comment:

- **David Oblas:** asked if the NFC (or any promoter) would be allowed to submit a list of officials they would like to have chosen to work events. Similar to what the UFC does with Commission.
 - o The Commission will allow promoters to submit officials they wish to have work shows to be considered when staffing events. Not all recommendations will be honored.
 - o The Commission established that if this is to be done, the list must be submitted at least 30 days prior to the event.
